In order for your application to be accepted, you will need to have **two reference forms submitted**. These online forms can be found on the NEWAHEC website www.newahec.org or the AHEC system website

www.ahec.wisc.edu. You must instruct each teacher to go to the website and complete the online teacher reference form. The form automatically gets sent to the camp director. **If you are applying to both the Lakeshore and Fox Valley camps, you may use the same references for both applications. Teachers do not need to fill the form out twice for the same student.**

One teacher reference must be from an English/Fine Arts teacher and the other from a Math/Science teacher.

Please list both of the teachers names that will be completing online references for you.

Individual Job Shadow (with what profession?)

Extracurricular Activity/School Organization:

In approximately 300 words, please explain why you should be selected to attend the Health Careers Camp. Include your interest in pursuing a health care profession, future goals, work experience and other activities or information you would like the Application Review Committee to know.

Congratulations! You have successfully finished the online student application for the 2020 Fox Valley Health Careers Summer Camp. However, your application will not be considered complete until the Northeastern AHEC office has received your two teacher reference forms (see item above).

Online teacher reference forms will automatically get sent to the Camp Director.
